

Good morning,

Temporary widening work is anticipated to begin next week on Interstate 39/90 southbound, between the County S (Shopiere Road) interchange and the Illinois state line. Crews will also remove and reconstruct the Stateline Road bridge over the Interstate near Beloit.

**What you need to know:**

- Electronic weekly construction updates for this project will start next Friday (April 7), and continue through the 2017 construction season.
  - [Sign up for project email updates today!](#)
- Nighttime single lane closures are expected between 8 p.m. and 5 a.m. Monday through Friday.
- Traffic shifts to occur on the Interstate, between the County S interchange and Illinois state line, as construction progresses.
- During the temporary widening work, all ramps at the County S (Shopiere Road) interchange and I-43/WIS 81 interchange are expected to remain open.
  - The northbound on ramp and southbound off ramp at the IL 75 (Manchester Road) exit will be periodically closed during nighttime hours. Closure dates/times will be announced through this email list and area media.
- The Stateline Road bridge will be CLOSED to all traffic starting Monday (April 3) until mid-August 2017. Alternate local routes are required.
  - The structure will be removed starting the week of April 10-14, 2017, and rebuilt and lengthened in the same location.
  - Noise is anticipated during the overnight hours from the bridge demolition, construction equipment and backup alarms.
- All lane restrictions and work operations are weather dependent and subject to change.
- Remember to be alert for crews and equipment in this area, and drive with caution through all work zones.

These projects are scheduled to be completed in mid-August 2017.

We encourage you to forward this email to family, friends and co-workers who may travel the area and encourage them to [register for project email updates](#).
