**Public Comment:**

Daniel Anderson, 2476 Glenn Drive, spoke in opposition of the proposed venue.

Motion by Rob Montgomery, seconded by Tom McGinnis to recommend approval of moving an existing 1.95 acres of C1 zoning east of its current location at 2470 Glenn Dr. and rezone the remaining property (approximately 17.96 acres) from A1-EX to A2 zoning for parcel 0611-211-8691-0 for property owner Irrevocable Roberts Family Trust, authorized agent, Jon Jaeck, subject to the following conditions:

1. The rezoned area will be generally as described in the figure supplied by the applicant and will be defined by a certified survey map approved by the Town and County.
2. The use allowed for the area under C1 zoning will be operation of a banquet hall/wedding venue.
3. The applicant will provide a proposed design for an improved entrance from Glenn Dr. to CTH N that will allow for safe two-way traffic entering and leaving Glenn Dr. for the review and approval of the Town and concurrence by Dane County, and will pay for construction of the improved entrance in coordination with upcoming CTH N construction.

8. Obtain approval from Land and Water Resource Management regarding erosion control and storm water management and provide proof to the Town.
9. That the operational plan includes "no outdoor music"

Chair Montgomery noted that the request conforms with the town's comprehensive plan in that although the proposed use is in the agricultural preservation area it is not detrimental to continued agricultural operations and would otherwise be an asset to the town proposed use; conforms with driveway access placement as there is adequate access available from Glenn Dr. and that it conforms with the town policy prohibiting the addition of new residences to a gravel road.
