

What to do when an...

EMERGENCY VEHICLE

APPROACHES A ROUNDABOUT

EMERGENCY VEHICLES

Motorists are required by law to move over when an emergency vehicle approaches. In the case of roundabouts, motorists must clear a roundabout if they hear (or see) an emergency vehicle approaching.

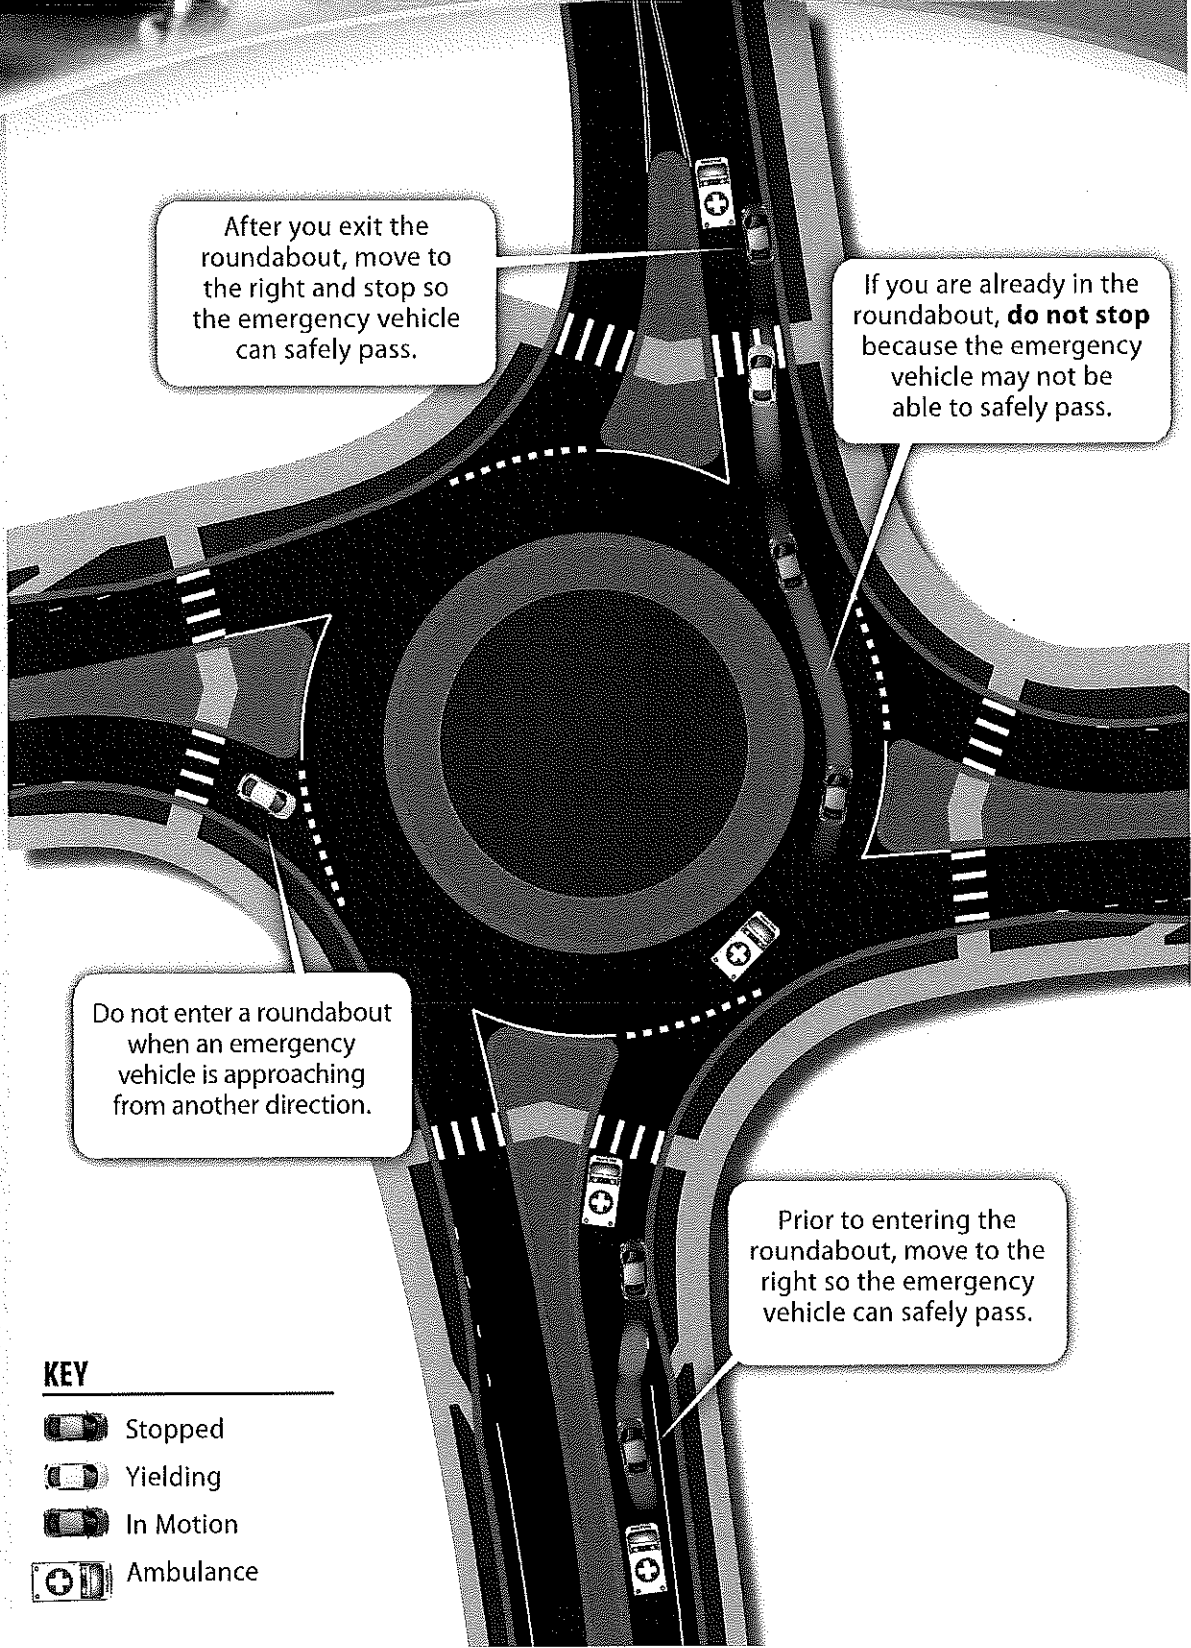

Motorists should immediately exit the roundabout at the next right.

After you exit the roundabout, move to the right and stop so the emergency vehicle can safely pass.

If you are already in the roundabout, **do not stop** because the emergency vehicle may not be able to safely pass.

Do not enter a roundabout when an emergency vehicle is approaching from another direction.

Prior to entering the roundabout, move to the right so the emergency vehicle can safely pass.
