§ 152-4. Enforcement; inspections; abatement.

- A. Enforcement. The Town Board or its designee shall enforce those provisions of this chapter that come within the jurisdiction of their offices, and they shall make periodic inspections and inspections upon complaint to ensure that such provisions are not violated. No action shall be taken under this section to abate a public nuisance unless the officer shall have inspected or caused to be inspected the premises where the nuisance is alleged to exist and shall have satisfied himself that a nuisance does in fact exist. [Amended 11-4-2003]
- B. Abatement after notice. **If** the inspecting officer shall determine that a public nuisance exists on private premises but that the nature of such nuisance is not such as to threaten great and immediate danger to the public health, safety, peace, morals or decency, he shall serve notice on the person causing or maintaining the nuisance to remove the same within 10 days. **If** such nuisance is not removed within such 10 days, the proper officer shall cause the nuisance to be abated by appropriate legal action, which may include an action to obtain an injunction or other appropriate abatement order from a court of competent jurisdiction.
