

Good afternoon,

Crews are continuing to finish work activities for 2018 including median work in areas along the Interstate. Please be alert and drive with caution through construction zones.

Read the updated construction activities below to learn more about upcoming construction work; nighttime lane, road and ramp closures; and associated traffic impacts for the I-39/90 Expansion Project. Forward this email to family, friends and co-workers who travel the Interstate in Dane and Rock counties. You can also encourage them to [sign up for project email updates!](#)

**Weekly Construction Update: November 5-9**

All lane restrictions, ramp and road closures, and work operations are weather dependent and subject to change.

Two lanes remain open to traffic on I-39/90 (in each direction) during daytime hours and weekends.

NOTE: Next week Monday through Friday (8 p.m. to 5 a.m.) and Friday to Saturday (10 p.m. to 7 a.m.), nightly single lane closures are planned on I-39/90 northbound and southbound in the following work zones, unless noted otherwise. Minor delays may occur during these lane closures.

**I-39/90 northbound expansion (E. Church Road north of the US 51 interchange (Stoughton Exit 156) to County AB), Edgerton to Madison**

County MN, Drotning Road, County W and County B underpasses

*Anticipated construction completion: Mid-November 2018*

- **Updated:** View the [I-39/90 construction activities in this area](#).
- All I-39/90 traffic is located on the southbound side of the Interstate between East Church Road, north of the US 51 interchange (Stoughton Exit 156), and County AB.
  - Two lanes remain open in each direction, separated by a median barrier wall.
  - Be alert for crossovers, don't tailgate and drive with caution through this area!
- **Updated:** Nighttime closure of I-39/90 northbound ramps at County N.
  - 8 p.m. on Tuesday (Nov. 6) to Wednesday (Nov. 7) at 12 a.m.
  - Alternate routes are required.
- County MN under I-39/90 is CLOSED until fall 2018. Alternate routes are required; follow the posted detour.
- Drotning Road under I-39/90 is CLOSED until fall 2018. Alternate local routes are required.
- County B under I-39/90 is CLOSED to perform work on the road and is scheduled to be reopen in early November.

**I-39/90 southbound expansion (E. Church Road south to the Dane/Rock County line), near Edgerton**

*Anticipated construction completion: November 2018*

- **Updated:** View the [I-39/90 construction operations in this area](#).
  - Median work is complete and only minor clean-up remains.
  - Be alert for crews and equipment in the area.
- **Updated:** All southbound I-39/90 traffic is shifted onto the newly completed lanes on the appropriate side and northbound traffic will be shifted to its final alignment by the end of the week.
  - Nightly northbound and southbound lane closures will occur for various work operations until the end of the week.
- **Updated:** Lake Drive under I-39/90 in Edgerton is OPEN.

### **Temporary widening on I-39/90 northbound (Townline Road to Rock River bridges), Janesville to Edgerton**

Townline Road and County M underpasses

*Anticipated construction completion: November 2018*

- **Updated:** View [temporary widening activities](#).
- Activities on the northbound outside lanes are largely complete from Townline Road north to the Rock River, including landscaping. The temporary barrier wall separating the current northbound outside work zone will be removed this week.
- Northbound traffic switch scheduled for the event of Tuesday (Nov. 6), weather permitting. Traffic will be moved to its final configuration except for the Wisconsin Southern Railroad bridge, and the bridges across County M and Neville Road.
- Northbound traffic at the Wisconsin Southern Railroad bridge, County M and Neville Road will be staged toward the outside for approximately two weeks to complete bridge deck repairs across those structures.
- Periodic nighttime northbound and southbound lane closures will occur for various work operations over the next two weeks.

### **I-39/90 northbound expansion (Hart Road bridge over I-39/90 to US 14/Humes Road interchange), Beloit to Janesville**

*Anticipated construction completion: Spring 2020*

- All I-39/90 traffic shifted to the southbound side of the Interstate, between Hart Road near Beloit and the WIS 11/Avalon Road interchange (Exit 177) in Janesville.
  - Two lanes remain open in each direction, separated by a median barrier wall.
  - Be alert for crossovers, don't tailgate and drive with caution through this area!
- I-39/90 northbound traffic located on new concrete pavement between the WIS 11/Avalon Road interchange (Exit 177) and US 14/Humes Road interchange (Exit 171B) in Janesville.
  - Southbound traffic remains on current southbound side.
  - Two lanes remain open in each direction.
- **Updated:** View the [I-39/90 construction activities between Beloit and Janesville](#).
  - I-39/90 northbound traffic is now running on new pavement.
  - All I-39/90 northbound bridges over roadways in Janesville and Beloit are complete.

### **I-39/90 expansion and I-43 reconstruction (Illinois state line to Hart Road; County X/Hart Road to Freeman Parkway), Beloit**

*Anticipated construction completion: November 2019*

- Colley Road under I-39/90, near Beloit, is CLOSED until early December 2018.
  - Alternate local routes are required.
- **Updated:** The Wisconsin Welcome Center, Rest Area #22, is now OPEN.
- **Updated:** Read the [I-39/90 and I-43 construction operations near Beloit](#).
  - Crossover construction underway on I-43 for future traffic staging.
  - Grading work in the I-39/90 and I-43 interchange northeast quadrant is underway and will continue until January.
- One lane closed on I-43 northbound and southbound (County X/Hart Road to I-39/90) until mid-November.
  - Plan ahead and anticipate slowdowns in this area.
