

Good morning,

Construction activities are underway in I-39/90 work zones between Beloit and Madison. Last night, crews successfully completed the major traffic switch of all I-39/90 traffic onto the southbound side from Beloit to Janesville. Two lanes remain open in each direction, separated by a median barrier wall. Be alert for crossovers, don't tailgate and drive with caution through this area!

With this recent traffic switch, the County S/Shopiere Road ramp to I-39/90 northbound is CLOSED until early April 2018 as crews complete the temporary loop ramp connection to the southbound side. Follow the posted detour route (I-39/90 and I-43 interchange) during the short-term closure. The temporary loop ramp to I-39/90 northbound is anticipated to open in early April.

As a reminder, the open house meeting for the North segment – Edgerton to Madison – will be held on Tuesday (March 20). Hope to see you there!

- When: Tuesday (March 20, 2018) – 4 p.m. - 6 p.m.  
No scheduled presentation; stop by at your convenience.
- Where: WisDOT Southwest Region Project Field Office, 111 Interstate Blvd., Edgerton, WI 53534  
Please enter through the east side of the building (Door B).

Forward this email to family, friends and co-workers who travel the Interstate in Dane and Rock counties, and encourage them to [sign up for project email updates!](#)

### **Weekly Construction Update: March 19-23**

All lane restrictions and work operations are weather dependent and subject to change.

Two lanes remain open to traffic on I-39/90 (in each direction) during daytime hours and weekends.

**NOTE:** Next week Monday through Friday, nightly single lane closures (8 p.m. – 5 a.m.) are planned on I-39/90 northbound and southbound in the following work zones, unless noted otherwise. Minor delays may occur during these lane closures.

### **I-39/90 southbound expansion (E. Church Road north of the US 51 interchange (Stoughton Exit 156) to the Dane/Rock County line), near Edgerton**

*Anticipated construction completion: Mid-November 2018*

- View the [I-39/90 construction operations in this area](#).
- In early April, all I-39/90 traffic will shift onto newly complete northbound side of Interstate, between the Dane/Rock County line and East Church Road, north of the US 51 interchange (Stoughton Exit 156).
  - Two lanes will remain open in each direction, separated by a median barrier wall.
- All ramps at the US 51 interchange (Stoughton Exit 156) and [WIS 73/US 51](#) interchange (Exit 160) remain open via temporary connections.
  - Occasional nighttime ramp closures may occur during construction season. Information will be provided on message boards and this email list prior to overnight closures.
- Lake Drive under I-39/90 in Edgerton anticipated to be CLOSED from mid-April to early September 2018 for bridge construction over the roadway (weather-permitting).
  - Alternate local routes are required during this long-term closure. Emergency access to be provided to police, fire and EMS.

### **I-39/90 and Rock River bridges, near Edgerton and Newville**

*Anticipated construction completion: Late summer 2018*

- All I-39/90 traffic located on northbound lanes and bridge over the Rock River. Be alert for crossovers in this area, and please stay in your lane!
  - Two lanes remain open in each direction on I-39/90, separated by a median barrier wall.
  - Southbound Interstate access to the WIS 59 interchange (Exit 163) use temporary off/on ramp connections.
- **Updated:** View [Interstate and Rock River bridge operations](#).
  - Download the [Rock River Bridge, Boater Navigation Guide!](#)
  - Navigational buoys to be placed in river under I-39/90. Boaters should slow down (this area is no wake), and be alert for construction crews and work taking place.
- **Updated:** Ellendale Road under I-39/90 along the Rock River CLOSED continuously until Friday morning, March 23. The road will be closed during nighttime hours, and reopen on the weekends. Alternate local routes are required.
  - Dates and times to be provided in advance on message boards on the roadway.
  - The closures and work operations are weather dependent and subject to change.
  - Flagger operations will occur periodically on Ellendale Road as crews unload trucks and reach material stored along the road.
- Access remains open to area businesses and neighborhoods. Please continue to patronize area businesses in the project area!

### **I-39/90 northbound expansion (Hart Road bridge over I-39/90 to US 14/Humes Road interchange), Beloit to Janesville**

*Anticipated construction completion: Spring 2020*

- **Updated:** All I-39/90 traffic shifted to southbound side of the Interstate, between Hart Road near Beloit and the US 14/Humes Road interchange in Janesville.
  - Two lanes remain open in each direction, separated by a median barrier wall.
  - Be alert for crossovers, don't tailgate and drive with caution through this area!
- **Updated:** The County S/Shopiere Road ramp to I-39/90 northbound is CLOSED until early April 2018 as crews complete the temporary loop ramp connection to the southbound side.
  - Follow the posted detour route (I-39/90 and I-43 interchange) during the short-term closure.
  - The temporary loop ramp to I-39/90 northbound is anticipated to open in early April.
- **Updated:** View [I-39/90 construction activities between Beloit and Janesville](#).
- Spring Brook/Ice Age National Scenic Trail under I-39/90 CLOSED until late April 2018 – weather-permitting.
  - Bicyclists and pedestrians should follow posted detour route.
