

Good morning,

Wisconsin's 2018 fishing season starts tomorrow (May 5)! Boaters and water enthusiasts are asked to be alert for construction crews working in the Rock River under Interstate 39/90, near Edgerton and Newville in northern Rock County. Be sure to download the [Rock River Bridge, Boater Navigation Guide](#). Please share this information with family, friends and co-workers who may travel on Lake Koshkonong and the Rock River.

Read the below update to learn more about upcoming work; lane, ramp and road closures; and associated traffic impacts along the I-39/90 between Beloit and Madison. You can also forward this email to family, friends and co-workers who travel the Interstate in Dane and Rock counties, and encourage them to [sign up for project email updates!](#)

STAY INFORMED: [I-39/90 Expansion Project website](#) | [Project Facebook page](#) | [2018 Construction Guide](#)

Weekly Construction Update: May 7-11

All lane restrictions and work operations are weather dependent and subject to change.

Two lanes remain open to traffic on I-39/90 (in each direction) during daytime hours and weekends.

NOTE: Next week Monday through Friday, nightly single lane closures (8 p.m. – 5 a.m.) are planned on I-39/90 northbound and southbound in the following work zones, unless noted otherwise. Minor delays may occur during these lane closures.

I-39/90 northbound expansion (E. Church Road north of the US 51 interchange (Stoughton Exit 156) to County AB), Edgerton to Madison

County MN, Drotning Road, County W and County B underpasses

Anticipated construction completion: Mid-November 2018

- **Updated:** View the [I-39/90 construction activities in this area](#).
- All I-39/90 traffic is located on the southbound side of the Interstate between East Church Road, north of the US 51 interchange (Stoughton Exit 156), and County AB.
 - Two lanes remain open in each direction, separated by a median barrier wall.
 - Be alert for crossovers, don't tailgate and drive with caution through this area!
- County MN under I-39/90 is CLOSED until fall 2018. Alternate routes are required; follow the posted detour.
- Drotning Road under I-39/90 is CLOSED until fall 2018. Alternate local routes are required.
- **Updated:** County W under I-39/90 is anticipated to open on Monday (May 7). Until then, alternate local routes are required.
 - Weather dependent and subject to change.
- **Updated:** County B under I-39/90 is anticipated to be CLOSED starting Monday (May 7) until fall 2018 (weather-permitting).
 - Alternate local routes are required.

I-39/90 southbound expansion (E. Church Road south to the Dane/Rock County line), near Edgerton

Anticipated construction completion: November 2018

- **Updated:** View the [I-39/90 construction operations in this area](#).
- All I-39/90 traffic is shifted onto the newly completed northbound side of the Interstate between the Dane/Rock County line and East Church Road, north of the US 51 interchange (Stoughton Exit 156).
 - Two lanes remain open in each direction, separated by a median barrier wall.
- All ramps at the US 51 interchange (Stoughton Exit 156) and [WIS 73/US 51](#) interchange (Exit 160) remain open via temporary connections.
 - Occasional nighttime ramp closures may occur during construction season. Information will be provided on message boards and this email list prior to overnight closures.

- **Updated:** Lake Drive under I-39/90 in Edgerton is anticipated to be CLOSED from Thursday, May 17 to mid-September 2018 for bridge construction over the roadway (weather-permitting).
 - Alternate local routes are required during this long-term closure. Emergency access to be provided to police, fire and EMS.

I-39/90 and Rock River bridges, near Edgerton and Newville

Anticipated construction completion: Late summer 2018

- All I-39/90 traffic located on northbound lanes and bridge over the Rock River. Be alert for crossovers in this area, and please stay in your lane!
 - Two lanes remain open in each direction, separated by a median barrier wall.
- **Updated:** Nighttime closure of I-39/90 southbound ramp to WIS 59 (Exit 163).
 - 8 p.m. to 5 a.m. Wednesday night (May 9)
 - Alternate local routes are required. Exit 160 is last exit until Janesville.
- **Updated:** View [Interstate and Rock River bridge operations](#).
 - Download the [Rock River Bridge, Boater Navigation Guide!](#)
 - Navigational buoys are placed in the river under I-39/90. Boaters should slow down (this area is no wake), and be alert for construction crews and work taking place.
- **Updated:** Ellendale Road under I-39/90 along the Rock River is CLOSED until late Saturday morning (May 5) for the bridge deck pour.
 - The local roadway will be OPEN next week. Flagging operations will occur periodically as crews unload trucks and reach material stored along the road.
 - The work operations are weather dependent and subject to change.

NEW: Temporary widening on I-39/90 northbound (Townline Road to Rock River bridges), Janesville to Edgerton

Townline Road and County M underpasses

Anticipated construction completion: November 2018

- View [temporary widening activities](#).
- Townline Road under I-39/90 near Milton is scheduled to be CLOSED from mid-May to early July 2018.
 - Alternate local routes are required during this long-term closure.
- County M under the Interstate is anticipated to be CLOSED from early August to early October 2018.
 - Alternate routes are required, such as the signed detour of WIS 59 and US 51.

I-39/90 northbound expansion (Hart Road bridge over I-39/90 to US 14/Humes Road interchange), Beloit to Janesville

Anticipated construction completion: Spring 2020

- All I-39/90 traffic shifted to the southbound side of the Interstate, between Hart Road near Beloit and the US 14/Humes Road interchange in Janesville.
 - Two lanes remain open in each direction, separated by a median barrier wall.
 - Be alert for crossovers, don't tailgate and drive with caution through this area!
- **Updated:** The Green Valley Drive and Randolph Road intersection, east of I-39/90 in Janesville, is scheduled to be CLOSED starting Monday (May 7) for two weeks.
 - Crews will complete storm sewer work in the area.
 - Alternate local routes are required. Access will remain open to local residences in the construction zone.
- **Updated:** Ruger Avenue will be CLOSED under I-39/90 on Monday (May 7).
 - Alternate local routes are required.
- **Updated:** Townline Road is anticipated to be CLOSED on Monday, May 14 and Tuesday, May 15 for girder setting (weather-permitting).
 - Alternate local routes are required.
- **Updated:** View [I-39/90 construction activities between Beloit and Janesville](#).

- Spring Brook/Ice Age National Scenic Trail under I-39/90 CLOSED until mid-May 2018 – weather-permitting.
 - Bicyclists and pedestrians should follow posted detour route.
