

Good morning,

Although Work Zone Awareness Week in Wisconsin has ended, the awareness must occur all the time! Remember, work zone safety is everybody's responsibility!!

Earlier this week, all I-39/90 traffic shifted onto the southbound side of the Interstate between East Church Road, north of the US 51 interchange (Stoughton Exit 156), and County AB near Madison. Two lanes remain open in each direction, separated by a median barrier wall. Be alert for crossovers, don't tailgate and drive with caution through this area!

As a reminder, there are two different public meetings next week. Hope to see you there!

### **Public meeting for the I-39/90 and [US 12/18](#) (Beltline) interchange**

- **When:** Tuesday (April 17, 2018) – 4 p.m. - 6 p.m.  
Brief presentation at approximately 5 p.m.
- **Where:** McFarland High School Cafeteria [5101 Farwell Street, McFarland, WI 53558](#)

### **Open house meeting for the South segment – Beloit to Janesville**

- **When:** Thursday (April 19, 2018) – 4 p.m. - 6 p.m.  
No scheduled presentation; stop by at your convenience.
- **Where:** Turtle Town Hall at [6916 S. County Road J, Beloit, WI 53511](#)

Read the below update to learn more about upcoming work; lane, ramp and road closures; and associated traffic impacts along the Interstate between Beloit and Madison. You can also forward this email to family, friends and co-workers who travel I-39/90 in Dane and Rock counties, and encourage them to [sign up for project email updates!](#)

STAY INFORMED: [I-39/90 Expansion Project website](#) | [Project Facebook page](#) | [2018 Construction Guide](#)

### **Weekly Construction Update: April 16-20**

All lane restrictions and work operations are weather dependent and subject to change.

Two lanes remain open to traffic on I-39/90 (in each direction) during daytime hours and weekends.

**NOTE:** Next week Monday through Friday, nightly single lane closures (8 p.m. – 5 a.m.) are planned on I-39/90 northbound and southbound in the following work zones, unless noted otherwise. Minor delays may occur during these lane closures.

### **I-39/90 northbound expansion (E. Church Road north of the US 51 interchange (Stoughton Exit 156) to County AB), Edgerton to Madison**

County MN, Drotning Road, County W and County B underpasses  
*Anticipated construction completion: Mid-November 2018*

- **Updated:** View the [I-39/90 construction activities in this area](#).
- **Updated:** All I-39/90 traffic is located on the southbound side of the Interstate between East Church Road, north of the US 51 interchange (Stoughton Exit 156), and County AB.
  - Two lanes remain open in each direction, separated by a median barrier wall.
  - Be alert for crossovers, don't tailgate and drive with caution through this area!
- **Updated:** County MN under I-39/90 is CLOSED until fall 2018. Alternate routes are required; follow the posted detour.
- Drotning Road under I-39/90 is OPEN to traffic.
  - **Updated:** Roadway expected to be CLOSED starting Monday, April 23 until fall 2018.

- County W under I-39/90 is OPEN to traffic.
  - **Updated:** Roadway expected to be CLOSED starting Monday, April 23 until early May.
- **Updated:** County B under I-39/90 is CLOSED until Monday, April 23. Alternate routes are required; follow the posted detour.
  - County B is anticipated to be closed again in early May until fall 2018.

### **I-39/90 southbound expansion (E. Church Road south to the Dane/Rock County line), near Edgerton**

*Anticipated construction completion: Mid-November 2018*

- **Updated:** View the [I-39/90 construction operations in this area](#).
- By late April, all I-39/90 traffic will shift onto newly completed northbound side of the Interstate between the Dane/Rock County line and East Church Road, north of the US 51 interchange (Stoughton Exit 156).
  - Two lanes will remain open in each direction, separated by a median barrier wall.
- All ramps at the US 51 interchange (Stoughton Exit 156) and WIS 73/US 51 interchange (Exit 160) remain open via temporary connections.
  - Occasional nighttime ramp closures may occur during the construction season. Information will be provided on message boards and this email list prior to overnight closures.
- Lake Drive under I-39/90 in Edgerton anticipated to be CLOSED from late April to mid-September 2018 for bridge construction over the roadway (weather-permitting).
  - Alternate local routes are required during this long-term closure. Emergency access to be provided to police, fire and EMS.

### **I-39/90 and Rock River bridges, near Edgerton and Newville**

*Anticipated construction completion: Late summer 2018*

- All I-39/90 traffic located on northbound lanes and bridge over the Rock River. Be alert for crossovers in this area, and please stay in your lane!
  - Two lanes remain open in each direction on I-39/90, separated by a median barrier wall.
- **Updated:** View [Interstate and Rock River bridge operations](#).
  - Download the [Rock River Bridge, Boater Navigation Guide!](#)
  - Navigational buoys are placed in the river under I-39/90. Boaters should slow down (this area is no wake), and be alert for construction crews and work taking place.
- **Updated:** Ellendale Road under I-39/90 along the Rock River is OPEN to traffic next week. Flagging operations will occur periodically as crews unload trucks and reach material stored along the road.
  - The work operations are weather dependent and subject to change.

### **I-39/90 northbound expansion (Hart Road bridge over I-39/90 to US 14/Humes Road interchange), Beloit to Janesville**

*Anticipated construction completion: Spring 2020*

- All I-39/90 traffic shifted to the southbound side of the Interstate, between Hart Road near Beloit and the US 14/Humes Road interchange in Janesville.
  - Two lanes remain open in each direction, separated by a median barrier wall.
  - Be alert for crossovers, don't tailgate and drive with caution through this area!
- **Updated:** Nighttime closure of the I-39/90 northbound ramp to WIS 11/Racine Street (Exit 175).
  - 4 a.m. to 5 a.m. Tuesday (April 17)
  - Alternate local routes are required.
- **Updated:** East Milwaukee Street will be CLOSED under the Interstate from Thursday (April 19) to Friday (April 20) for girder placement.
  - Alternate local routes are required during the two-day closure.
  - Road anticipated to reopen on Friday night (April 20).
- **Updated:** View [I-39/90 construction activities between Beloit and Janesville](#).
- Spring Brook/Ice Age National Scenic Trail under I-39/90 CLOSED until late April 2018 – weather-permitting.

- Bicyclists and pedestrians should follow posted detour route.
