

Good afternoon,

As temperatures increase this weekend, please take extra caution and be alert for pavement buckles on Wisconsin roadways! Pavement buckles are most common when the weather quickly goes from cool to very hot, causing pavement to expand. While it's difficult to predict if or where buckling may occur, please keep the following tips in mind:

- Slow down, buckle up and eliminate distractions to focus your full attention on the roadway. Along with pavement issues, other concerns this time of year can include deer or debris on the roadway.
- Watch for slowing traffic and be ready to move over for all roadside workers including highway crews as they repair damaged pavement.
- Before your trip, check the [511 Travel Information system](#) for the latest on any incidents or delays.
- If necessary, report serious pavement issues by calling 911. Be ready to provide specific location information.

Learn more below about the upcoming construction work, lane closures and traffic impacts related to the I-39/90 Expansion Project.

Forward this email to family, friends and co-workers and encourage them to [register for I-39/90 project email updates](#).

### **Weekly Construction Update: June 12-16**

All lane restrictions and work operations are weather dependent and subject to change.

Two lanes remain open to traffic on I-39/90 (in each direction) during daytime hours.

**NOTE:** Next week Monday through Friday (8 p.m. to 5 a.m.) and Friday to Saturday (10 p.m. to 7 a.m.), nightly single lane closures are planned on I-39/90 northbound and southbound in the following work zones, unless noted otherwise. Minor delays may occur during these lane closures.

### **County AB bridge replacement over I-39/90, south of Madison**

- **Updated:** [View County AB bridge operations](#).
  - Some noise from activities is expected throughout the week.
- County AB over I-39/90 CLOSED to all traffic until early September 2017.
  - Alternate routes are required. Signed detour route: US 12/18, County N and County MN.

### **I-39/90 and County N interchange (Exit 147), north of Stoughton**

- **Updated:** [View County N interchange operations](#).
  - Flagging operations will occur periodically on County N near the Interstate. Drive with caution through this area.
  - Temporary County N ramp to I-39/90 southbound will open Monday night (June 12). Pay attention for this ramp location change.
  - County N traffic, between Koshkonong Road and I-39/90, is shifted onto temporary widening. Be alert for these lane shifts!
- County N is CLOSED to all traffic, between the I-39/90 northbound ramps and Rinden Road, near the township of Pleasant Springs.
  - Alternate local routes are required. Signed detour route: I-39/90, US 12/18 and County N.
  - This section of highway is anticipated to reopen in fall 2017.

- The County N and Rinden Road intersection is CLOSED until early August 2017. Alternate local routes are required.
  - Access maintained to all properties within this closure.

#### **I-39/90 (Dane/Rock County line to E. Church Road) and US 51 interchange, east of Stoughton**

- **Updated:** Nightly ramp closure from I-39/90 northbound to WIS 73/US 51 interchange (Exit 160).
  - 8 p.m. – 5 a.m. Tuesday through Friday (June 13-16)
  - 10 p.m. – 7 a.m. Friday to Saturday (June 16-17)
  - Alternate routes are required.
- **Updated:** [View construction operations.](#)
- All I-39/90 traffic shifted onto southbound side of Interstate, between the Dane/Rock County line to East Church Road, north of the US 51 interchange (Stoughton Exit 156).
  - Two lanes remain open in each direction, separated by a median barrier wall. Be alert for crossovers in this area, and please stay in your lane!
  - [Northbound ramps CLOSED at the US 51 interchange \(Stoughton Exit 156\).](#)
  - The southbound Interstate on and off ramps at Stoughton Exit 156 remain open during construction with periodic nighttime ramp closures.
- Local roads under I-39/90 to be CLOSED until mid-November 2017. [View construction activities.](#)
  - Lake Drive Road under Interstate 39/90 near Edgerton, and East Church Road under I-39/90, near the town of Christiana.
  - Emergency access to be provided to police, fire and EMS.

#### **I-39/90 and WIS 59 interchange and Rock River bridges, near Edgerton and Newville**

- I-39/90 northbound traffic shifted onto the new concrete lanes and bridge over the Rock River.
  - Be alert for lane shifts and slow down – reduced speed limit of 60 mph.
- Northbound Interstate traffic crossover to southbound side at Dane/Rock County line, north of the WIS 59 interchange.
  - Be alert and please stay in your lane!
- **Updated:** View [Interstate and Rock River bridge operations.](#)
  - Download the [Rock River Bridge, Boater Navigation Guide!](#)
  - Navigational buoys to be placed in river under I-39/90. Boaters should slow down (this area is no wake), and be alert for construction crews and work taking place.
- Ellendale Road under I-39/90 along the Rock River remains OPEN to all traffic.
  - Flagging operations will occur periodically on Ellendale Road as crews unload trucks and reach material stored along the road.
- **Updated:** View [WIS 59 interchange activities.](#) Be alert for crews and equipment in the interchange area.
- Access remains open to area businesses and neighborhoods. Please continue to patronize the businesses in the project area!

#### **Manogue Road bridge replacement over I-39/90, north of Janesville**

- **Updated:** [View Manogue Road bridge operations.](#)
  - Some noise from activities is expected throughout the week.
- Manogue Road over I-39/90 CLOSED to all traffic until late August 2017.
  - Alternate local routes are required.

#### **Temporary widening of I-39/90 southbound, near Beloit**

Between the County S (Shopiere Road) interchange and the Illinois state line

- **Updated:** [View temporary widening activities, near Beloit.](#)

- Traffic shifted on I-39/90 southbound near I-43/WIS 81 interchange. Please be alert and stay in your lane!

#### **Hart Road bridge girder repairs, near Beloit**

- **Updated:** View [Hart Road bridge repair activities](#).
- Hart Road to remain open to local traffic. Be alert for crews and equipment in the area.
  - **Updated:** Hart Road CLOSED from today (June 9) to Sunday morning (June 11) for deck pour/cure – weather dependent. Alternate local routes required.

#### **Stateline Road bridge replacement over I-39/90, near Beloit**

- **Updated:** [View Stateline Road bridge operations](#).
  - Traffic shifts in place at the Wisconsin state line. Be alert for lane changes in this area!
- Stateline Road over I-39/90 CLOSED to all traffic until mid-August 2017. Alternate local routes are required.
