

Good morning,

Construction work on most major highway projects throughout the state will be suspended during the Fourth of July holiday to help travelers reach their destination safely and efficiently. Construction in highway work zones, including most operations related to the I-39/90 Project, will stop by noon today (June 29) and will not resume until 6 a.m. Thursday (July 5).

**What you need to know:**

- Two lanes of Interstate traffic are maintained in each direction. All I-39/90 interchange ramps are open.
- Heavy traffic volumes are anticipated throughout the holiday week, which may cause delays on I-39/90 between Beloit and Madison.
- Please plan ahead, consider alternate routes and allow extra time to safely reach your destination.
  - View the [signed alternate routes on highways adjacent to I-39/90 in Dane and Rock counties](#).
- Visit [Wisconsin's 511 travel information website](#), download the 511 WI mobile app or call 511 for travel times, incidents and more.
- For everyone's safety, please eliminate all distractions and focus on the road ahead.

Also, starting Monday, July 9, the WIS 59 ramp to I-39/90 southbound, near Edgerton and Newville, will be closed for approximately three weeks. Crews will construct the permanent configuration for this entrance ramp. Alternate routes are required, such as the signed detour route of I-39/90 northbound to the WIS 73/US 51 interchange (Exit 160) to turn around and travel south on the Interstate.

Read the below update to learn more about upcoming construction work, lane and road closures, and associated traffic impacts for the I-39/90 Expansion Project. Forward this email to family, friends and co-workers who travel the Interstate in Dane and Rock counties. You can also encourage them to [sign up for project email updates!](#)

**Weekly Construction Update: July 2-6**

All lane restrictions and work operations are weather dependent and subject to change.

Two lanes remain open to traffic on I-39/90 (in each direction) during daytime hours and weekends.

**NOTE:** Next week from 8 p.m. to 5 a.m. Thursday night and Friday night, single lane closures are planned on I-39/90 northbound and southbound. Minor delays may occur during these lane closures.

**NOTE:** *Holiday work restrictions are in effect from noon today (June 29) until 6 a.m. Thursday (July 5).*

**I-39/90 northbound expansion (E. Church Road north of the US 51 interchange (Stoughton Exit 156) to County AB), Edgerton to Madison**

County MN, Drotning Road, County W and County B underpasses

*Anticipated construction completion: Mid-November 2018*

- **Updated:** View the [I-39/90 construction activities in this area](#).
- All I-39/90 traffic is located on the southbound side of the Interstate between East Church Road, north of the US 51 interchange (Stoughton Exit 156), and County AB.
  - Two lanes remain open in each direction, separated by a median barrier wall.
  - Be alert for crossovers, don't tailgate and drive with caution through this area!
- County MN under I-39/90 is CLOSED until fall 2018. Alternate routes are required; follow the posted detour.
- Drotning Road under I-39/90 is CLOSED until fall 2018. Alternate local routes are required.

- **Updated:** County W under I-39/90 is CLOSED until late summer 2018. Alternate local routes are required.
- **Updated:** County B under I-39/90 is OPEN until late summer 2018.

**I-39/90 southbound expansion (E. Church Road south to the Dane/Rock County line), near Edgerton**  
*Anticipated construction completion: November 2018*

- **Updated:** View the [I-39/90 construction operations in this area](#).
- All I-39/90 traffic is shifted onto the newly completed northbound side of the Interstate between the Dane/Rock County line and East Church Road, north of the US 51 interchange (Stoughton Exit 156).
  - Two lanes remain open in each direction, separated by a median barrier wall.
  - Be alert for crossovers, don't tailgate and drive with caution through this area!
- Lake Drive Road under I-39/90 in Edgerton is CLOSED until late September 2018 for bridge construction over the roadway (weather-permitting).
  - Alternate local routes are required during this long-term closure. Emergency access to be provided to police, fire and EMS.

**I-39/90 and Rock River bridges, near Edgerton and Newville**  
*Anticipated construction completion: Late summer 2018*

- All I-39/90 traffic located on northbound lanes and bridge over the Rock River. Be alert for crossovers in this area, and please stay in your lane!
  - Two lanes remain open in each direction, separated by a median barrier wall.
- **Updated:** The WIS 59 ramp to I-39/90 southbound, near Edgerton and Newville, will be CLOSED starting Monday, July 9 for approximately three weeks.
  - Crews will construct the permanent configuration for this entrance ramp.
  - Alternate routes are required. Signed detour route: I-39/90 northbound to the WIS 73/US 51 interchange (Exit 160) to turn around and travel south on the Interstate.
- **Updated:** View [Interstate and Rock River bridge operations](#).
  - Download the [Rock River Bridge, Boater Navigation Guide!](#)
  - Navigational buoys are placed in the river under I-39/90. Boaters should slow down (this area is no wake), and be alert for construction crews and work taking place.
- **Updated:** Ellendale Road under I-39/90 along the Rock River is OPEN. Flagging operations will occur periodically as crews unload trucks and reach material stored along the road.
  - The work operations are weather dependent and subject to change.

**Temporary widening on I-39/90 northbound (Townline Road to Rock River bridges), Janesville to Edgerton**

Townline Road and County M underpasses  
*Anticipated construction completion: November 2018*

- **Updated:** View [temporary widening activities](#).
- Townline Road under I-39/90 near Milton is CLOSED until mid-July 2018.
  - Alternate local routes are required during this long-term closure.
- County M under the Interstate is anticipated to be CLOSED from early August to early October 2018.
  - Alternate routes are required, such as the signed detour of WIS 59 and US 51.

**I-39/90 northbound expansion (Hart Road bridge over I-39/90 to US 14/Humes Road interchange), Beloit to Janesville**

*Anticipated construction completion: Spring 2020*

- All I-39/90 traffic shifted to the southbound side of the Interstate, between Hart Road near Beloit and the US 14/Humes Road interchange in Janesville.
  - Two lanes remain open in each direction, separated by a median barrier wall.

- Be alert for crossovers, don't tailgate and drive with caution through this area!
- **Updated:** Palmer Drive under I-39/90 in Janesville is CLOSED on Thursday (July 5) and Friday (July 6). Alternate local routes are required.
  - Crews will complete bridge deck work.
  - The road may be closed on Monday, July 9 – work-dependent. The roadway will open over the weekend (July 7-8).
- **Updated:** View [I-39/90 construction activities between Beloit and Janesville](#).
- Spring Brook/Ice Age National Scenic Trail under I-39/90 is OPEN to bicyclists and pedestrians.
  - Path to close for two days later this summer for bridge work.
