

Good morning,

As mentioned earlier this week, work is underway to reconstruct and expand approximately 12 miles of Interstate 39/90 from Hart Road near Beloit north to the I-39/90 and US 14 interchange (Exit 171B) in Janesville. Crews are currently working in the Janesville area on temporary ramp connections near the WIS 11 (Racine Street) interchange, and constructing a crossover for future traffic staging at the US 14 (Humes Road) interchange. More information on reconstruction activities will be shared in the coming weeks on the I-39/90 section between WIS 11 (Racine Street) and Hart Road near Beloit.

Read the below update about the upcoming construction work, lane and ramp closures, and traffic impacts related to the I-39/90 Expansion Project. You can also forward this email to family, friends and co-workers and encourage them to [register for I-39/90 project email updates](#).

Weekly Construction Update: Sept. 11-15

All lane restrictions and work operations are weather dependent and subject to change.

Two lanes remain open to traffic on I-39/90 (in each direction) during daytime hours.

NOTE: Next week Monday through Friday (8 p.m. to 5 a.m.) and Friday to Saturday (10 p.m. to 7 a.m.), nightly single lane closures are planned on I-39/90 northbound and southbound in the following work zones, unless noted otherwise. Minor delays may occur during these lane closures.

County AB bridge replacement over I-39/90, south of Madison

- **Updated:** [View remaining County AB bridge operations](#).
 - Some noise from activities is expected throughout the week.
- County AB over I-39/90 is OPEN to traffic.
 - Be alert for crews and equipment along the shoulders of the new bridge.

Temporary widening on I-39/90 southbound, Madison to Edgerton

County AB to East Church Road, north of US 51 interchange
County MN, Drotning Road, County W and County B underpasses

- **Updated:** [View temporary widening activities](#).
- County MN under I-39/90 is CLOSED until late October 2017. Alternate routes are required; follow the posted detour.
- Drotning Road under I-39/90 is CLOSED until early October 2017. Alternate local routes are required.
- County W under I-39/90 is OPEN to traffic. Be alert for crews and equipment in the area.
- County B under I-39/90 is CLOSED until mid-October 2017. Alternate routes are required; follow the posted detour.

I-39/90 and County N interchange (Exit 147), north of Stoughton

- **Updated:** [View County N interchange operations](#).
 - Flagging operations will occur periodically on County N near the Interstate. Drive with caution through this area.
 - Temporary County N ramps open to/from I-39/90 southbound. Permanent County N ramps open to/from I-39/90 northbound; yield to traffic on your left before entering the partial roundabout.
 - Traffic shifts on County N, between Koshkonong Road and I-39/90. One lane remains open in each direction; be alert for these lane shifts!

- County N is CLOSED to all traffic, between the I-39/90 northbound ramps and Rinden Road, near the township of Pleasant Springs.
 - Alternate local routes are required. Signed detour route: I-39/90, US 12/18 and County N.
 - This section of highway is anticipated to reopen in November 2017.
- The County N and Rinden Road intersection is OPEN.

I-39/90 northbound expansion (Dane/Rock County line to E. Church Road) and US 51 interchange, east of Stoughton

- **Updated:** Be alert for ramp location changes to and from I-39/90 northbound at the WIS 73/US 51 interchange (Exit 160).
 - No anticipated nighttime ramp closures next week at this interchange.
- **Updated:** [View construction operations.](#)
- All I-39/90 traffic shifted onto southbound side of Interstate, between the Dane/Rock County line to East Church Road, north of the US 51 interchange (Stoughton Exit 156).
 - Two lanes remain open in each direction, separated by a median barrier wall. Be alert for crossovers in this area, and please stay in your lane!
 - Reduced speed limit of 65 mph on I-39/90 northbound in this area.
 - I-39/90 northbound ramp to US 51 (Stoughton Exit 156) is OPEN.
 - [US 51 ramp to I-39/90 northbound ramp CLOSED until mid-November 2017.](#)
 - The southbound Interstate on and off ramps at Stoughton Exit 156 remain open during construction with periodic nighttime ramp closures.
- Local roads under I-39/90 to be CLOSED until mid-November 2017.
 - Lake Drive Road under Interstate 39/90 near Edgerton, and East Church Road under I-39/90, near the town of Christiana.
 - Emergency access to be provided to police, fire and EMS.

I-39/90 and WIS 59 interchange and Rock River bridges, near Edgerton and Newville

- All I-39/90 traffic shifted onto northbound side and bridge over the Rock River. Be alert for crossovers in this area, and please stay in your lane!
 - Two lanes remain open in each direction on I-39/90, separated by a median barrier wall.
 - Reduced speed limit of 65 mph on I-39/90 northbound in this area.
 - Southbound Interstate access to the WIS 59 interchange (Exit 163) use temporary off/on ramp connections.
- **Updated:** View [Interstate and Rock River bridge operations.](#)
 - Download the [Rock River Bridge, Boater Navigation Guide!](#)
 - Navigational buoys are placed in the river under I-39/90. Boaters should slow down (this area is no wake), and be alert for construction crews and work taking place.
- **Updated:** Ellendale Road under I-39/90 along the Rock River will be CLOSED daily from 6 a.m. to 6 p.m. Tuesday through Friday (Sept. 12-15). Alternate local routes are required.
 - The road will remain open during nighttime hours and weekends. The closures and work operations are weather dependent and subject to change.
 - Flagging operations will occur periodically on Ellendale Road as crews unload trucks and reach material stored along the road.
- View [WIS 59 interchange activities.](#) Be alert for crews and equipment in the interchange area.
- Access remains open to area businesses and neighborhoods. Please continue to patronize the businesses in the project area!

Manogue Road bridge replacement over I-39/90, north of Janesville

- **Updated:** [View Manogue Road bridge operations.](#)
 - Minor noise from activities is expected throughout the week.
- Manogue Road over I-39/90 CLOSED to all traffic until mid-September 2017.
 - Alternate local routes are required.

NEW: I-39/90 expansion (WIS 11/Avalon Road interchange to US 14/Humes Road interchange) in Janesville

- As noted above, nightly single lane closures are planned on I-39/90 northbound and southbound within these limits.
 - 8 p.m. – 5 a.m. Monday through Friday (Sept. 11-15)
 - 10 p.m. to 7 a.m. Friday to Saturday (Sept. 15-16)
 - Minor delays may occur during these lane closures.
- View [I-39/90 construction activities](#).

Temporary widening of I-39/90 southbound, near Beloit

Between the County S (Shopiere Road) interchange and the Illinois state line

- **Updated:** [View temporary widening activities, near Beloit](#).
- Traffic shifted on I-39/90 southbound from the County S interchange to the Illinois state line. Please be alert and stay in your lane!

Stateline Road bridge replacement over I-39/90, near Beloit

- **Updated:** [View remaining Stateline Road bridge operations](#).
- **Updated:** Stateline Road over I-39/90 is OPEN to traffic. Be alert for crews and equipment in the area!
