

Good morning,

Construction crews continue to make great progress in work zones along I-39/90, between Beloit and Madison. In fact, the Manogue Road bridge over the Interstate, north of Janesville, is OPEN. Also, traffic shifts are scheduled tonight (Sept. 15) for I-39/90 southbound traffic between WIS 11 (Racine Street) and WIS 11/Avalon Road in Janesville. Be alert for these lane shifts!

Read the below update about the upcoming construction work, lane and ramp closures, and traffic impacts related to the I-39/90 Expansion Project. You can also forward this email to family, friends and co-workers and encourage them to [register for I-39/90 project email updates](#).

STAY INFORMED: [I-39/90 Expansion Project website](#) | [Project Facebook page](#) | [2017 Construction Guide](#)

Weekly Construction Update: Sept. 18-22

All lane restrictions and work operations are weather dependent and subject to change.

Two lanes remain open to traffic on I-39/90 (in each direction) during daytime hours.

NOTE: Next week Monday through Friday (8 p.m. to 5 a.m.) and Friday to Saturday (10 p.m. to 7 a.m.), nightly single lane closures are planned on I-39/90 northbound and southbound in the following work zones, unless noted otherwise. Minor delays may occur during these lane closures.

County AB bridge replacement over I-39/90, south of Madison

- **Updated:** This project is complete. County AB over I-39/90 is OPEN to traffic.

Temporary widening on I-39/90 southbound, Madison to Edgerton

County AB to East Church Road, north of US 51 interchange
County MN, Drotning Road, County W and County B underpasses

- **Updated:** [View temporary widening activities](#).
- County MN under I-39/90 is CLOSED until late October 2017. Alternate routes are required; follow the posted detour.
- Drotning Road under I-39/90 is CLOSED until early October 2017. Alternate local routes are required.
- County W under I-39/90 is OPEN to traffic. Be alert for crews and equipment in the area.
- County B under I-39/90 is CLOSED until mid-October 2017. Alternate routes are required; follow the posted detour.

I-39/90 and County N interchange (Exit 147), north of Stoughton

- **Updated:** [View County N interchange operations](#).
 - Flagging operations will occur periodically on County N near the Interstate. Drive with caution through this area.
 - **Updated:** Permanent County N ramps to/from I-39/90 southbound anticipated to open in late September – weather-permitting. In the meantime, temporary ramps remain open to/from I-39/90 southbound.
 - Permanent County N ramps open to/from I-39/90 northbound; yield to traffic on your left before entering the partial roundabout.
 - Traffic shifts on County N, between Koshkonong Road and I-39/90. One lane remains open in each direction; be alert for these lane shifts!
- County N is CLOSED to all traffic, between the I-39/90 northbound ramps and Rinden Road, near the township of Pleasant Springs.
 - Alternate local routes are required. Signed detour route: I-39/90, US 12/18 and County N.
 - This section of highway is anticipated to reopen in November 2017.

- The County N and Rinden Road intersection is OPEN.

I-39/90 northbound expansion (Dane/Rock County line to E. Church Road) and US 51 interchange, east of Stoughton

- **Updated:** [View construction operations.](#)
- All I-39/90 traffic shifted onto southbound side of Interstate, between the Dane/Rock County line to East Church Road, north of the US 51 interchange (Stoughton Exit 156).
 - Two lanes remain open in each direction, separated by a median barrier wall. Be alert for crossovers in this area, and please stay in your lane!
 - Reduced speed limit of 65 mph on I-39/90 northbound in this area.
 - I-39/90 northbound ramp to US 51 (Stoughton Exit 156) is OPEN.
 - [US 51 ramp to I-39/90 northbound ramp CLOSED until mid-November 2017.](#)
 - The southbound Interstate on and off ramps at Stoughton Exit 156 remain open during construction with periodic nighttime ramp closures.
- Local roads under I-39/90 to be CLOSED until mid-November 2017.
 - Lake Drive Road under the Interstate near Edgerton, and East Church Road under I-39/90, near the town of Christiana.
 - **Updated:** Lake Drive Road construction under I-39/90 to start Monday (Sept. 18). Emergency access through the work zone to be limited during these activities.
 - Emergency access to be provided to police, fire and EMS.

I-39/90 and WIS 59 interchange and Rock River bridges, near Edgerton and Newville

- All I-39/90 traffic shifted onto northbound side and bridge over the Rock River. Be alert for crossovers in this area, and please stay in your lane!
 - Two lanes remain open in each direction on I-39/90, separated by a median barrier wall.
 - Reduced speed limit of 65 mph on I-39/90 northbound in this area.
 - Southbound Interstate access to the WIS 59 interchange (Exit 163) use temporary off/on ramp connections.
- **Updated:** View [Interstate and Rock River bridge operations.](#)
 - Download the [Rock River Bridge, Boater Navigation Guide!](#)
 - Navigational buoys are placed in the river under I-39/90. Boaters should slow down (this area is no wake), and be alert for construction crews and work taking place.
- **Updated:** Ellendale Road under I-39/90 along the Rock River will be periodically CLOSED during daytime hours. Alternate local routes are required.
 - Dates and times to be provided in advance on message boards on the roadway. The road will remain open during nighttime hours and weekends.
 - The closures and work operations are weather dependent and subject to change.
 - Flagging operations will occur periodically on Ellendale Road as crews unload trucks and reach material stored along the road.
- View [WIS 59 interchange activities.](#) Be alert for crews and equipment in the interchange area.
- Access remains open to area businesses and neighborhoods. Please continue to patronize the businesses in the project area!

Manogue Road bridge replacement over I-39/90, north of Janesville

- **Updated:** [View the remaining Manogue Road bridge operations.](#)
 - Minor noise from activities is expected throughout the week.
- **Updated:** Manogue Road over I-39/90 is OPEN to all traffic.
 - Be alert for crews and equipment along the shoulders of the new bridge.

I-39/90 expansion (WIS 11/Avalon Road interchange to US 14/Humes Road interchange) in Janesville

- **Updated:** View [I-39/90 construction activities.](#)

- **Updated:** Traffic shift on I-39/90 southbound from the WIS 11 (Racine Street) interchange to the WIS 11/Avalon Road interchange in Janesville. Please be alert and stay in your lane!

Temporary widening of I-39/90 southbound, near Beloit

Between the County S (Shopiere Road) interchange and the Illinois state line

- **Updated:** [View remaining temporary widening activities, near Beloit.](#)
- Traffic shifted on I-39/90 southbound from the County S interchange to the Illinois state line. Please be alert and stay in your lane!

Stateline Road bridge replacement over I-39/90, near Beloit

- **Updated:** This project is complete. Stateline Road over I-39/90 is OPEN to traffic.
