

Good morning,

Crews continue to make great progress on all construction activities along I-39/90, between Madison and Beloit. In fact, we have important news to share regarding the I-39/90 traffic configuration through Janesville.

**What you need to know:**

- Starting Thursday morning (Oct. 26), motorists traveling on Interstate 39/90 northbound in Janesville will encounter a crossover, directing them to the southbound side of I-39/90 as crews reconstruct the northbound Interstate and bridges over local roadways. This traffic configuration will continue through the winter months.
- This crossover is located just north of the WIS 11 (Racine Street) interchange or Exit 175, and I-39/90 northbound traffic will return to the original side prior to the US 14 (Humes Road) interchange or Exit 171B.
- All ramps at the WIS 11/Racine Street and US 14 interchanges will remain open.
- Two lanes of traffic will be maintained in each direction on I-39/90 with a temporary barrier wall separating northbound and southbound traffic.

Read the construction update about the upcoming work, lane and ramp closures, and traffic impacts related to the I-39/90 Expansion Project. You can also forward this email to family, friends and co-workers and encourage them to [register for I-39/90 project email updates](#).

**Weekly Construction Update: Oct. 23-27**

All lane restrictions and work operations are weather dependent and subject to change.

Two lanes remain open to traffic on I-39/90 (in each direction) during daytime hours.

**NOTE:** Next week Monday through Friday (8 p.m. to 5 a.m.) and Friday to Saturday (10 p.m. to 7 a.m.), nightly single lane closures are planned on I-39/90 northbound and southbound in the following work zones, unless noted otherwise. Minor delays may occur during these lane closures.

**Temporary widening on I-39/90 southbound, Madison to Edgerton**

County AB to East Church Road, north of US 51 interchange  
County MN, Drotning Road, County W and County B underpasses

- **Updated:** [View temporary widening activities](#).
- County MN under I-39/90 is CLOSED until late October 2017. Alternate routes are required; follow the posted detour.
- Drotning Road under I-39/90 is CLOSED until late October 2017. Alternate local routes are required.
- County W under I-39/90 is OPEN to traffic. Be alert for crews and equipment in the area.
- County B under I-39/90 is CLOSED until late October 2017. Alternate routes are required; follow the posted detour.

**I-39/90 and County N interchange (Exit 147), north of Stoughton**

- **Updated:** Nighttime ramp closures to and from I-39/90 southbound at the County N interchange.
  - 10 p.m. Tuesday (Oct. 24) to 3 a.m. Wednesday (Oct. 25)
  - Alternate routes are required.
- **Updated:** Effective Wednesday morning (Oct. 25), I-39/90 southbound traffic to be shifted onto new concrete pavement near interchange. Be alert for lane shifts!
- **Updated:** [View County N interchange operations](#).

- Flagging operations will occur periodically on County N near the Interstate. Drive with caution through this area.
- All permanent County N ramps to and from I-39/90 are open. Be alert for ramp location changes, including from I-39/90 southbound ramp to County N!
- Traffic shifts on County N, between Koshkonong Road and I-39/90, including through the southern roundabout. One lane remains open in each direction; be alert for these lane shifts!
- Remember to yield to traffic on your left before entering the partial roundabouts.
- County N is CLOSED to all traffic, between the I-39/90 northbound ramps and Rinden Road, near the township of Pleasant Springs.
  - Alternate local routes are required. Signed detour route: I-39/90, US 12/18 and County N.
  - This section of highway is anticipated to reopen in late November 2017.
- The County N and Rinden Road intersection is OPEN.

### **I-39/90 northbound expansion (Dane/Rock County line to E. Church Road) and US 51 interchange, east of Stoughton**

- **Updated:** Nightly ramp closures to and from I-39/90 northbound at the WIS 73/US 51 interchange (Exit 160).
  - 8 p.m. – 5 a.m. Monday through Friday (Oct. 23-27)
  - 10 p.m. – 7 a.m. Friday to Saturday (Oct. 27-28)
  - Alternate routes are required.
- **Updated:** [View construction operations](#).
- All I-39/90 traffic shifted onto southbound side of Interstate, between the Dane/Rock County line and East Church Road, north of the US 51 interchange (Stoughton Exit 156).
  - Two lanes remain open in each direction, separated by a median barrier wall. Be alert for crossovers in this area, and please stay in your lane!
  - Reduced speed limit of 65 mph on I-39/90 northbound in this area.
  - I-39/90 northbound ramp to US 51 (Stoughton Exit 156) is OPEN.
    - [US 51 ramp to I-39/90 northbound ramp CLOSED until mid-November 2017](#).
  - The southbound Interstate on and off ramps at Stoughton Exit 156 remain open during construction with periodic nighttime ramp closures.
- Local roads under I-39/90 to be CLOSED until mid-November 2017.
  - Lake Drive Road under the Interstate near Edgerton, and East Church Road under I-39/90, near the town of Christiana.
  - Lake Drive Road construction under I-39/90 is ongoing. Emergency access through the work zone to be limited during these activities.
  - Emergency access to be provided to police, fire and EMS.

### **I-39/90 and WIS 59 interchange and Rock River bridges, near Edgerton and Newville**

- All I-39/90 traffic shifted onto northbound side and bridge over the Rock River. Be alert for crossovers in this area, and please stay in your lane!
  - Two lanes remain open in each direction on I-39/90, separated by a median barrier wall.
  - Reduced speed limit of 65 mph on I-39/90 northbound in this area.
  - Southbound Interstate access to the WIS 59 interchange (Exit 163) use temporary off/on ramp connections.
- **Updated:** View [Interstate and Rock River bridge operations](#).
  - Download the [Rock River Bridge, Boater Navigation Guide!](#)
  - Navigational buoys are placed in the river under I-39/90. Boaters should slow down (this area is no wake), and be alert for construction crews and work taking place.
- **Updated:** Ellendale Road under I-39/90 along the Rock River will be CLOSED during daytime hours next week (October 23-27). Alternate local routes are required.
  - Dates and times to be provided in advance on message boards on the roadway. The road will remain open during nighttime hours and weekends.
  - The closures and work operations are weather dependent and subject to change.

- Flagging operations will occur periodically on Ellendale Road as crews unload trucks and reach material stored along the road.
- View [WIS 59 interchange activities](#). Be alert for crews and equipment in the interchange area.
- Access remains open to area businesses and neighborhoods. Please continue to patronize the businesses in the project area!

#### **I-39/90 expansion (WIS 11/Avalon Road interchange to US 14/Humes Road interchange) in Janesville**

- **Updated:** View [I-39/90 construction activities](#).
- **Updated:** Traffic switch of I-39/90 northbound traffic onto southbound side, between WIS 11/Racine Street and US 14 interchange, currently scheduled for Thursday morning (Oct. 26) - weather-permitting. Back up date is Friday morning (Oct. 27).
  - All ramps at the WIS 11/Racine Street and US 14 interchanges to remain open.
  - Be alert for crossovers in this area, and please stay in your lane!
- Traffic shifted on I-39/90 southbound from the US 14 (Humes Road) interchange to the WIS 11/Avalon Road interchange in Janesville. Please be alert and stay in your lane!

#### **I-39/90 expansion (Hart Road bridge over I-39/90 to WIS 11/Avalon Road interchange), north of Beloit**

- **Updated:** View [I-39/90 construction operations within these limits](#).
- Traffic shift on I-39/90 northbound near the Hart Road overpass, just south of the County S/Shopiere Road interchange.
