

Good morning,

On Friday (Nov. 3), pavement repairs will occur on I-39/90 southbound near mile marker 171 in Janesville.

What you need to know:

To safely accommodate the work operations:

- Lane shifts will occur on the southbound Interstate near mile marker 171 in Janesville. Please be alert for the lane shifts!
- The WIS 26/Milton Avenue entrance ramp to I-39/90 southbound will be CLOSED from 2 a.m. to 1 p.m. tomorrow (Nov. 3).
 - Alternate local routes are required, such as continuing to US 14, travel east to I-39/90 southbound.
- The I-39/90 southbound ramp to US 14/Humes Road (Exit 171B) will remain open during these activities.
- Motorists should be alert for the lane shifts as well as crews and equipment in the area, and allow extra time to safely reach their destination.

These operations and ramp closure is weather dependent and subject to change.

Help us spread the word, and forward this email to family, friends and co-workers who travel this area. You can also [share the post on the project Facebook page](#).
