

Good afternoon,

The Wisconsin Department of Transportation (WisDOT) is preparing to reconstruct and expand approximately 12 miles of Interstate 39/90 from Hart Road near Beloit north to the I-39/90 and US 14 interchange (Exit 171B) in Janesville. Work is tentatively scheduled to start in September and will be completed in spring of 2020 (weather-permitting).

Throughout construction, I-39/90 will remain open with two lanes of traffic in each direction. Work will begin on the northbound Interstate lanes and northbound traffic will be shifted over to temporary lanes onto the southbound side of I-39/90 during construction. When the I-39/90 northbound expansion is complete within these limits, both northbound and southbound motorists will be shifted to the new northbound pavement as crews reconstruct and expand the existing I-39/90 southbound lanes.

During construction, local roadways under I-39/90 in Janesville may be temporarily closed for bridge work. Advanced notice of these temporary closures will be announced to the media and on the [project's website](#).

You are invited to attend a **Public Meeting** to learn more about this project, including the planned construction staging and schedule, and how to stay informed during the operations. Exhibits showing the planned improvements will also be on display. WisDOT representatives will be available to discuss the project on an individual basis.

- **What:** Public meeting for I-39/90 expansion, from Hart Road near Beloit to the US 14 interchange in Janesville
- **When: Tuesday, August 22, 2017 – 5 p.m. - 6:30 p.m.**  
Brief presentation scheduled for 5:15 p.m. Stop by at your convenience.
- **Where: Holiday Inn Express, Conference Center  
3100 Wellington Place, Janesville, WI 53546**

A separate meeting for business owners will be held earlier at the same location (4 p.m. to 5 p.m. with a brief presentation at 4:15 p.m.). Business owners, within or near the construction area limits, are encouraged to attend.

Also, reconstruction work on the WIS 26 (Milton Avenue) and US 14 (Humes Road) interchanges is currently scheduled to occur from fall 2019 to fall 2021. [Learn more about that portion of the project.](#)

Forward this email to family, friends and co-workers and encourage them to attend the meeting, as well as [register for project email updates](#).
