

**Notice of Public Meeting**  
**Town of Pleasant Springs Road Work and Funding**  
**June 13, 2017 @ 6:00 p.m. at Town Hall**

---

All residents are invited to attend a public meeting about the future of our Town roads. The Town consistently hears from people concerned about the poor condition of Town roads. For many years now, our roads have suffered due to insufficient resources available for road reconstruction and maintenance. Shortchanging maintenance causes good roads to deteriorate faster which costs taxpayers more in the long run. Since the Town is already unable to keep up with reconstruction of roads as they reach the end of their service life, we simply can't afford to delay addressing this issue any longer. So please come and learn more about the problem and our proposed solution at this public meeting. We will gladly answer any questions you may have.

Together, we can improve, maintain and preserve the condition of the Town of Pleasant Springs roads!

Town of Pleasant Springs

2354 County Rd N

Stoughton, WI 53589
