

Good afternoon,

The summer 2018 newsletter is now available on the I-39/90 Expansion Project website, under the Resources tab. Articles in the latest issue of the I-39/90 Project newsletter include:

- Rock River Bridges project nearing completion;
- Fun Facts about the Rock River bridges;
- New park and ride lot opens in Janesville;
- Interstate construction gears up in Beloit;
- Interstate work zone speed limit reduced between Beloit and Madison;
- Work Zone Safety Reminder; and
- Parker High School students tour I-39/90 Expansion Project.

Read it now: [Summer 2018 newsletter](#).

You can also provide feedback on the I-39/90 Expansion Project by visiting the [Project Comments section](#).

Forward this email to family, friends and co-workers and encourage them to [sign up for project email updates](#).
