

Good morning,

Construction work on most major highway projects throughout the state will be suspended during the three-day Memorial Day weekend to help travelers reach their destination safely and efficiently. Construction in highway work zones, including most operations related to the I-39/90 Project, will stop by noon today (May 25) and will not resume until 6 a.m. Tuesday (May 29).

**What you need to know:**

- Two lanes of Interstate traffic are maintained in each direction. All I-39/90 interchange ramps are open.
- Heavy traffic volumes are anticipated throughout the holiday weekend, which may cause delays on I-39/90 between Beloit and Madison.
- Please plan ahead, consider alternate routes and allow extra time to safely reach your destination.
  - View the [signed alternate routes on highways adjacent to I-39/90 in Dane and Rock counties](#).
- Visit [Wisconsin's 511 travel information website](#), download the 511 WI mobile app or call 511 for travel times, incidents and more.
- For everyone's safety, please eliminate all distractions and focus on the road ahead.

Read the below update to learn more about upcoming construction work, lane, ramp and road closures, and associated traffic impacts for the I-39/90 Expansion Project. Forward this email to family, friends and co-workers who travel the Interstate in Dane and Rock counties. You can also encourage them to [sign up for project email updates!](#)
