

Good morning,

Next week, crews will begin work on I-39/90 between Hart Road near Beloit and the WIS 11 (Avalon Road) interchange south of Janesville. Median work will start in various locations within these limits in preparation for the Interstate traffic shift in spring 2018. Construction notifications begin today (Sept. 22) for that project with information listed below.

Read the construction update about the upcoming work, lane and ramp closures, and traffic impacts related to the I-39/90 Expansion Project. You can also forward this email to family, friends and co-workers and encourage them to [register for I-39/90 project email updates](#).

Weekly Construction Update: Sept. 25-29

All lane restrictions and work operations are weather dependent and subject to change.

Two lanes remain open to traffic on I-39/90 (in each direction) during daytime hours.

NOTE: Next week Monday through Friday (8 p.m. to 5 a.m.) and Friday to Saturday (10 p.m. to 7 a.m.), nightly single lane closures are planned on I-39/90 northbound and southbound in the following work zones, unless noted otherwise. Minor delays may occur during these lane closures.

Temporary widening on I-39/90 southbound, Madison to Edgerton

County AB to East Church Road, north of US 51 interchange
County MN, Drotning Road, County W and County B underpasses

- **Updated:** [View temporary widening activities](#).
- County MN under I-39/90 is CLOSED until late October 2017. Alternate routes are required; follow the posted detour.
- Drotning Road under I-39/90 is CLOSED until early October 2017. Alternate local routes are required.
- County W under I-39/90 is OPEN to traffic. Be alert for crews and equipment in the area.
- County B under I-39/90 is CLOSED until mid-October 2017. Alternate routes are required; follow the posted detour.

I-39/90 and County N interchange (Exit 147), north of Stoughton

- **Updated:** [View County N interchange operations](#).
 - Flagging operations will occur periodically on County N near the Interstate. Drive with caution through this area.
 - **Updated:** Permanent County N ramps to I-39/90 southbound anticipated to open early next week – weather-permitting. Permanent I-39/90 southbound ramp to County N expected to open in early October. Be alert for ramp location changes!
 - Permanent County N ramps open to/from I-39/90 northbound; yield to traffic on your left before entering the partial roundabout.
 - Traffic shifts on County N, between Koshkonong Road and I-39/90. One lane remains open in each direction; be alert for these lane shifts!
 - **Updated:** Early next week, northbound and southbound County N traffic to split at the roundabout south of the Interstate.
- County N is CLOSED to all traffic, between the I-39/90 northbound ramps and Rinden Road, near the township of Pleasant Springs.
 - Alternate local routes are required. Signed detour route: I-39/90, US 12/18 and County N.
 - This section of highway is anticipated to reopen in November 2017.
- The County N and Rinden Road intersection is OPEN.

I-39/90 northbound expansion (Dane/Rock County line to E. Church Road) and US 51 interchange, east of Stoughton

- **Updated:** [View construction operations.](#)
- All I-39/90 traffic shifted onto southbound side of Interstate, between the Dane/Rock County line to East Church Road, north of the US 51 interchange (Stoughton Exit 156).
 - Two lanes remain open in each direction, separated by a median barrier wall. Be alert for crossovers in this area, and please stay in your lane!
 - Reduced speed limit of 65 mph on I-39/90 northbound in this area.
 - I-39/90 northbound ramp to US 51 (Stoughton Exit 156) is OPEN.
 - [US 51 ramp to I-39/90 northbound ramp CLOSED until mid-November 2017.](#)
 - The southbound Interstate on and off ramps at Stoughton Exit 156 remain open during construction with periodic nighttime ramp closures.
- Local roads under I-39/90 to be CLOSED until mid-November 2017.
 - Lake Drive Road under the Interstate near Edgerton, and East Church Road under I-39/90, near the town of Christiana.
 - Lake Drive Road construction under I-39/90 is ongoing. Emergency access through the work zone to be limited during these activities.
 - Emergency access to be provided to police, fire and EMS.

I-39/90 and WIS 59 interchange and Rock River bridges, near Edgerton and Newville

- All I-39/90 traffic shifted onto northbound side and bridge over the Rock River. Be alert for crossovers in this area, and please stay in your lane!
 - Two lanes remain open in each direction on I-39/90, separated by a median barrier wall.
 - Reduced speed limit of 65 mph on I-39/90 northbound in this area.
 - Southbound Interstate access to the WIS 59 interchange (Exit 163) use temporary off/on ramp connections.
- **Updated:** View [Interstate and Rock River bridge operations.](#)
 - Download the [Rock River Bridge, Boater Navigation Guide!](#)
 - Navigational buoys are placed in the river under I-39/90. Boaters should slow down (this area is no wake), and be alert for construction crews and work taking place.
- **Updated:** Ellendale Road under I-39/90 along the Rock River will be periodically CLOSED during daytime hours. Alternate local routes are required.
 - Dates and times to be provided in advance on message boards on the roadway. The road will remain open during nighttime hours and weekends.
 - The closures and work operations are weather dependent and subject to change.
 - Flagger operations will occur periodically on Ellendale Road as crews unload trucks and reach material stored along the road.
- View [WIS 59 interchange activities.](#) Be alert for crews and equipment in the interchange area.
- Access remains open to area businesses and neighborhoods. Please continue to patronize the businesses in the project area!

Manogue Road bridge replacement over I-39/90, north of Janesville

- **Updated:** [View the remaining Manogue Road bridge operations.](#)
 - Minor noise from activities is expected throughout the week.
- Manogue Road over I-39/90 is OPEN to all traffic.
 - Be alert for crews and equipment along the shoulders of the new bridge.

I-39/90 expansion (WIS 11/Avalon Road interchange to US 14/Humes Road interchange) in Janesville

- **Updated:** View [I-39/90 construction activities.](#)
- Traffic shift on I-39/90 southbound from the WIS 11 (Racine Street) interchange to the WIS 11/Avalon Road interchange in Janesville. Please be alert and stay in your lane!

NEW: I-39/90 expansion (Hart Road bridge over I-39/90 to WIS 11/Avalon Road interchange), north of Beloit

- As noted above, nightly single lane closures are planned on I-39/90 northbound and southbound within these limits.
 - 8 p.m. – 5 a.m. Monday through Friday (Sept. 25-29)
 - 10 p.m. to 7 a.m. Friday to Saturday (Sept. 29-30)
 - Minor delays may occur during these lane closures.
- View [I-39/90 construction operations within these limits](#).

Temporary widening of I-39/90 southbound, near Beloit

Between the County S (Shopiere Road) interchange and the Illinois state line

- **Updated:** This project is complete. Minor restoration work underway in the area.
 - Traffic shifted to original lanes on I-39/90 southbound from the County S interchange to the Illinois state line. Please be alert and stay in your lane!
