

Good morning,

This update includes I-39/90 construction activities from Monday, November 20 to Friday, December 1. No update will be sent next week due to the Thanksgiving weekend. As you make your holiday travel plans, visit [Wisconsin's 511 travel information website](#), [download the 511 WI mobile app](#) or call 511 for travel times, incidents and more. Please keep your head up and phone down when driving!

Also, as projects begin to wrap up for the 2017 construction season, some interchange ramps and local roadways have reopened. Thank you for your continued patience during this major project!

Be sure to read the below construction update to learn more about upcoming work, lane closures and traffic impacts along I-39/90 between Beloit and Madison. You can also forward this email to family, friends and co-workers and encourage them to [register for I-39/90 project email updates](#).

STAY INFORMED: [I-39/90 Expansion Project website](#) | [Project Facebook page](#) | [2017 Construction Guide](#)

Weekly Construction Update: Nov. 20 - Dec. 1

All lane restrictions and work operations are weather dependent and subject to change.

Two lanes remain open to traffic on I-39/90 (in each direction) during daytime hours.

NOTE: Next week Monday through Wednesday (8 p.m. to 5 a.m.), nightly single lane closures are planned on I-39/90 northbound and southbound in the following work zones, unless noted otherwise. Minor delays may occur during these lane closures.

NOTE: Holiday work restrictions will be in effect from noon Wednesday (Nov. 22) until 6 a.m. Monday, Nov. 27.

Temporary widening on I-39/90 southbound, Madison to Edgerton

County AB to East Church Road, north of US 51 interchange
County MN, Drotning Road, County W and County B underpasses

- **Updated:** [View temporary widening activities](#).
- County MN under I-39/90 is CLOSED until November 30, 2017. Alternate routes are required; follow the posted detour.
- Drotning Road under I-39/90 is CLOSED until November 30, 2017. Alternate local routes are required.
- County W under I-39/90 is OPEN to traffic. Be alert for crews and equipment in the area.
- County B under I-39/90 is CLOSED until November 30, 2017. Alternate routes are required; follow the posted detour.

I-39/90 and County N interchange (Exit 147), north of Stoughton

- **Updated:** Starting early next week, no left turns will be permitted from the I-39/90 southbound exit ramp to County N north as crews construct the roundabout.
 - Traffic must use the southern roundabout to turn around and head north on County N to access I-39/90.
 - Left turn restriction and ramp configuration in place until early December.
- **Updated:** Nighttime ramp closure scheduled from I-39/90 southbound to County N. Alternate routes are required.
 - 10 p.m. – 2 a.m. Tuesday night, Nov. 28
 - [Check the project website early in week of Nov. 27 - Dec. 1 for exact date/times](#).
- I-39/90 southbound traffic shifted onto new concrete pavement near interchange. Be alert for lane shifts!
- **Updated:** [View I-39/90 and County N interchange operations](#).

- Flagging operations will occur periodically on County N near the Interstate. Drive with caution through this area.
- Traffic shifts on County N, between Koshkonong Road and I-39/90, including through the southern roundabout and roundabout for the I-39/90 northbound ramps. One lane remains open in each direction; be alert for these lane shifts!
- Remember to yield to traffic on your left before entering the roundabouts.
- County N is CLOSED to all traffic, between the I-39/90 northbound ramps and Rinden Road, near the township of Pleasant Springs.
 - Alternate local routes are required. Signed detour route: I-39/90, US 12/18 and County N.
 - This section of highway is anticipated to reopen in late November 2017.
- The County N and Rinden Road intersection is OPEN.

I-39/90 northbound expansion (Dane/Rock County line to E. Church Road) and US 51 interchange, east of Stoughton

- I-39/90 northbound traffic shifted onto new permanent lanes, between the Dane/Rock County line and East Church Road, north of the US 51 interchange (Stoughton Exit 156).
 - I-39/90 northbound ramp to US 51 (Stoughton Exit 156) is OPEN.
 - **Updated:** US 51 ramp to I-39/90 northbound ramp is now OPEN.
- I-39/90 southbound traffic shifted back to original lanes within these limits.
- **Updated:** Lake Drive Road and East Church Road under I-39/90 are scheduled to OPEN late tonight (Nov. 17).
- **Updated:** [View remaining construction operations](#).

I-39/90 and WIS 59 interchange and Rock River bridges, near Edgerton and Newville

- All I-39/90 traffic shifted onto northbound side and bridge over the Rock River. Be alert for crossovers in this area, and please stay in your lane!
 - Two lanes remain open in each direction on I-39/90, separated by a median barrier wall.
 - Southbound Interstate access to the WIS 59 interchange (Exit 163) use temporary off/on ramp connections.
- **Updated:** Daytime ramp closure anticipated from I-39/90 southbound to WIS 59 (Exit 163).
 - 6 a.m. – 6 p.m. Wednesday, Nov. 28 (backup date is Thursday, Nov. 30)
 - Alternate routes are required. During this closure, Edgerton Exit 160 is last southbound exit before Janesville.
 - [Check the project website early in week of Nov. 27 - Dec. 1 for exact date/times](#).
- **Updated:** View [Interstate and Rock River bridge operations](#).
 - Download the [Rock River Bridge, Boater Navigation Guide!](#)
 - Navigational buoys are placed in the river under I-39/90. Boaters should slow down (this area is no wake), and be alert for construction crews and work taking place.
- **Updated:** Ellendale Road under I-39/90 along the Rock River will be CLOSED during daytime hours next week (Nov. 20-22). Alternate local routes are required. The roadway will be open each night and during Thanksgiving weekend.
 - Dates and times to be provided in advance on message boards on the roadway.
 - **Updated:** Ellendale Road under the Interstate will be CLOSED continuously from Monday morning, Nov. 27 to Friday evening, Dec. 1. The road will also be closed during nighttime hours.
 - The closures and work operations are weather dependent and subject to change.
 - Flagging operations will occur periodically on Ellendale Road as crews unload trucks and reach material stored along the road.
- View [WIS 59 interchange activities](#). Be alert for crews and equipment in the interchange area.
- Access remains open to area businesses and neighborhoods. Please continue to patronize the businesses in the project area!

I-39/90 expansion (WIS 11/Avalon Road interchange to US 14/Humes Road interchange) in Janesville

- All I-39/90 traffic shifted onto southbound side of Interstate, between the WIS 11/Racine Street and US 14/Humes Road interchanges.
 - Two lanes remain open in each direction, separated by a median barrier wall. Be alert for crossovers in this area, and please stay in your lane!
 - All ramps at the WIS 11/Racine Street and US 14 interchanges to remain open.
- **Updated:** View [I-39/90 construction activities in this area.](#)
- **Updated:** Starting Tuesday, Nov. 28, I-39/90 northbound bridge removal over Spring Brook/Ice Age National Scenic Trail – weather-permitting.
 - Trail under the Interstate to be CLOSED from Tuesday, Nov. 28 until spring 2018. Bicyclists and pedestrians should follow posted detour route.
- Traffic shifted on I-39/90 southbound from the WIS 11 (Racine Street) interchange to the WIS 11/Avalon Road interchange in Janesville. Please be alert and stay in your lane!

I-39/90 expansion (Hart Road bridge over I-39/90 to WIS 11/Avalon Road interchange), north of Beloit

- **Updated:** View [I-39/90 construction operations within these limits.](#)
