

A message from UpNetWI regarding fiber optic service to Pleasant Springs:

We are pleased to announce that UpNet-WI received a broadband expansion grant from the Wisconsin Public Service Commission to bring gigabit fiber optic service to additional residents in Pleasant Springs. Service will become available in two phases (see map below) and will service the Spring Hill Drive neighborhood, the Havey Lane neighborhood and all residents along the way. For specific information regarding coverage, pricing, or other inquires, please visit our website at www.upnetfiber.com or contact (608) 234-5980, email: customerservice@upnetwi.com
